Request for Information regarding Service Provider(s) for Federal Quarantine / Isolation sites for The Government of Canada

The Government of Canada (GoC) is considering engaging a Third Party Service Provider for Federal Quarantine / Isolation sites that will be used to house and care for people for public health and other related federal requirements associated with the COVID-19 pandemic response. The Government is seeking feedback from current service providers about potential options for standing up, operating and managing all of the services associated with these sites. The purpose of this Request for Information (RFI) is to seek feedback from potential service providers in order to develop a strategy for the potential future management of these sites going forward.

Should the Government of Canada determine that a third-party managed solution going forward is a viable strategy, Public Services and Procurement Canada (PSPC) may issue a Request for
